- Glenfield

September issue covering August 2018

## In your community...

The beat team were in the beat bus at the shopping parade on Main Street in Kirby Muxloe and near Tesco on Dominion Road, Glenfield in August for local residents to come and meet a member of their beat and speak about any local issues. You can find us in September too:

- 04/09/18, 1430-1630, Forest House Lane, LFE, outside the shop
- 30/09/18, 1930-2130, Glenfield Lane, Kirby Muxloe

PCSO Calum Loades (pictured) has joined the beat team. He has been policing Braunstone Town prior to joining your neighbourhood team. He already has a good working knowledge of the area coming from a neighbouring beat and is looking forward to meeting and working with members of his new community.

## Anti-Social Behaviour (ASB)...

During August we received numerous reports of the smell of cannabis on Forest East Park, LFE. We are aware from information supplied by park users and local residents that the late afternoons and early evenings are when this issue is most prevalent. We are targeting our patrols in this area at these times and are working

with members of the public who are providing us with intelligence regarding drugs in the area of LFE. We have also been dealing with further reports of drug use in private dwellings, specifically people's gardens. Cannabis often lingers and fills neighbours houses with the smell. If you are affected by this, let us know about it and we will investigate the issue to try and resolve it.

## Crime Prevention...

Individuals have been given the right to find out whether a new partner has been a domestic abuse offender in the past.

The provision gives people in a new relationship, or their friends or relatives, the right to ask police whether a new partner has a record of committing domestic abuse with previous partners. Leicestershire Police will then decide whether a disclosure needs to be made. Any disclosure may be to a different person to the one who submitted the request and it will be to a person who is in the best position to safeguard anyone who is vulnerable.

The scheme has similarities to the Child Sexual Offender Disclosure Scheme, which since 2010 has allowed families to find out if anyone in their children's lives has a conviction for child sex offences.

For more information please search our advice and information tab on the Leicestershire Police website. Information is also available at police stations during opening hours.
