- Utilising beat surgeries to educate members of the public as to road safety and to encourage the reporting of such behaviour which is contrary to this.
- Conducting high visibility patrols of hotspot areas to deter further offences from occurring.

- Patrols of Parks and other recreational and business areas where ASB is being reported to be occurring.
- We have been engaging with local youths discouraging them from becoming involved in such behaviour.

Priority 3 Burglaries:

- Targetted patrols of the beat area to deter burglaries from occurring.
- Giving out crime prevention advice to members of the public.

News

So the new year is upon us and I hope you all had a great Christmas and a happy new year!

Towards the end of last month there was a rise in burglaries and attempted burglaries on the beat. Can I please encourage members of the public to activate their burglar alarms when they go out. Hide valuables such as jewellery, keep cash on the property to a minimum and utilise faraday bags/boxes for car keys.

Consider also for your vehicle utilising steering locks, theft resistant number plate screws and installing a tracking device.

Please take a look at our events at the bottom of the page. If you are around at the time please do come along and say hello!
