Glenfield Newsletter – June 2012

May has seen an increase in burglaries across Glenfield, the reports are from, Hayfield Close, Elm Tree Avenue, Glebe Close, Sports Road, Victor Road and Overdale Close. Of the above reports two were reported on Hayfield Close, both being neighbouring properties.

All other reported burglaries were forcing a rear patio door or entry has been gained by an insecure ground floor window. Please be mindful in relation to leaving ground floor windows ajar, the burglars are after an easy entry!!

Criminal damage has increased over the past month; one report was a pupil at a local school damaging a class room. Other reports were in relation to neighbour disputes and damage to motor vehicles.

A new problem solving plan has been created within Glenfield, this is to combat motorcycle thefts. The Beat team including Police Volunteers are identifying motorcycles that are left on the driveway; we then can educate the riders of the dangers of leaving their bikes out on show. A leaflet has been created to give to motorcycle riders who may do this. If there are neighbours that are leaving their motorcycle out on the driveway, speak with them and tell them that they are advertising their bikes to the criminals!!
