### **Crime Review**

*May has seen an increase in crime throughout Glenfield. 7 reports of burglaries have been reported to the Police, the method of entry for these burglaries are that windows are being forced to gain entry. This has generally been via a rear window. Please all be vigilant when looking out for your neighbourhood, report any suspicious behaviour to the Police on 101 or 999.*

*Thefts have increased in the area too, a proportion of the thefts were copper piping that was stolen from fronts of houses in the Faire Road area.*

*The majority of the damage reports are whereby the victim knows the suspect, there is no trend to where they are happening.*

*Police presence has increased in the area of Glenfield due to the number of reported crimes. Officers in marked and unmarked vehicles are patrolling the area to deter any criminality.*

*Date for next beat surgery:*

*Saturday 6<sup>th</sup> July 2013 11:00-12:00
