### **Crime Review**

April has seen an increase in theft from motor vehicles; all of the reports were from van drivers. Entry is being forced into vans and tools have been taken. There have been two reported burglaries in Glenfield in the month of April; access has been gained via side windows that have been forced.

The beat office on Ellis Park is still open, both Ben and Phil are using this when they are on shift. There was an issue with the computer and that's why the office hasn't been open as much. If you see the door open please pop by and say hello.

Beat surgeries are being held at the Co Op, Station Road, Glenfield. The date for April is:
