

- Leicester Forest East
- Kirby Muxloe
- Glenfield

In your community...

The beat team were outside One Stop in Glenfield and the shop on Forest House Lane, LFE in May for local residents to come and meet a member of the team and speak about any local issues. We'll be out again in June:

- 09/06/19, 1430-1630, One Stop, Main Street, Kirby Muxloe
- 24/06/19, 0830-1030, KK Stores, Tournament Road, Glenfield

What you told us:

- Stafford Leys School Parking concerns.

What we did:

- Having met with the Head Teacher at Stafford Leys along with our Traffic Management Team, we have contacted the County Council to consider any further enforcement. In the meantime, in addition to the information booklet which is available from the school about parking around the school, we have put signs up to try to remind drivers to park responsibly.

Crime Prevention...

Drones are a relatively new fun hobby for many people. Whilst enjoying this, it is important to remember that there are laws that cover the use of drones and we would encourage people to learn these in full if you operate one to prevent yourself from receiving a visit from us about their misuse.

Relevant points in the Air Navigation Order 2009 state you must not:

- Operate a drone over or within 150m of any congested area (buildings or people)
- Operate a drone within 50m of a person

Whilst out and about, whether it be traveling to work, the shops or walking the dog, it's important to be aware of your surroundings.

Whilst the chances of being a victim of a robbery is low wherever you are, each of us can reduce this chance by taking appropriate precautions against opportunist criminals:

- Keep valuables out of sight. This includes mobile phones, tablets and laptops. Don't have your phone half in your back pocket and keep other, larger, similar goods in unassuming carry cases like a rucksack.
- Photograph all of your expensive jewellery and ensure you have any identifying marks and serial numbers of items you own.
- All your senses help you to detect potential dangers. Be vigilant if listening to music or using your mobile while on the move or when relaxing in a park or similar location.
- Keep handbags closed. Wear over the shoulder bags and have clasps that face inwards.
- Keep jewellery covered up.
- Be aware of your surroundings. If you feel unsafe, change your direction, go into a shop or go up to someone and start a conversation until any perceived danger has passed.
