Glenfield Police Newsletter – October 2011

Welcome to the October edition of the Glenfield newsletter.

Crime Update - September 2011

September has seen a levelling out in the number of burglaries, again a number of these are due to insecure ground floor windows being breached. The robbery was a young man walking home at 01:30hrs and had his camera taken from around his neck. He wasn't injured during the incident. Four out of the five assaults were domestic related the other being a dog bite. There has been a slight increase on August for TFUMV's these are split between Sat Nav's being left on display and number plates being removed. The theft of motor vehicles are an attempt to steal a motorbike and what it is believed to be a prank whereby a male left his van running with the keys in outside the Dominion Road shops.

Figures not included in the chart below include 8 bilkings (theft of petrol) from the Co-op and the Shell Petrol Stations. Advice continues to be given as to how to reduce these i.e prepayment schemes and increase in staff at peak times.

There have been two reports of theft from private driveways. Both incidents involve scrap metal being left in line of sight of the road.

Road Death Figures

An article in the Gazette will be published around road death figures so far in 2011. Main points include:-

So far this year 34 people have lost their lives in fatal collisions in Leicestershire. Despite a reduction on last year this to me is still 34 lives too many. The alarming note is that of the 34, 9 were passengers and 5 were either pedestrians or pedal cyclists. The remainder were drivers of both cars (12) and motorcycles (8). The numbers look worse when you break the numbers down between male and female drivers – 25 of the deaths being male.

Anti-Social Behaviour

Anti-social behaviour can affect many different people in many different ways. If you are affected by it, there is a chance that somebody else is as well, so please report it to us or to Blaby District Council Community Safety Team on 0116 272 7677.

We would like to meet you
