**What we are going to do:** \*Speed Enforcement Patrols \*Partnership Working \*Issue Traffic Offence Reports (TORs)

### Priority 2: Antisocial Behaviour (ASB)

**You Said:** Anti-Social Behaviour including use of motorbikes on open spaces was an issue to you.

**What we are going to do:** \*Targeted patrols \*Educational Events \*Partnership Working

## What we are doing

### Priority 1 Road Safety:

- Conducting Speeding Enforcement Patrols when the issue is most prevalent, sporadically but regularly across the beat.
- Issue Traffic Offence Reports (TORs) for offences and keep you informed in relation to these.
- Utilising beat surgeries to educate members of the public as to road safety and to encourage the reporting of such behaviour which is contrary to this.
- Conducting high visibility patrols of hotspot areas to deter further offences from occurring.

### Priority 2 Antisocial Behaviour (ASB):

- Patrols of Parks and other recreational and business areas where ASB is being reported to be occurring.
- We have been engaging with local youths discouraging them from becoming involved in such behaviour.

## News

Halloween is approaching at the end of the month and unfortunately at this time there are individuals who use this occasion as an excuse to cause trouble for residents. We understand there are residents who do not want trick or treaters calling at their premises and do not want to be part of the Halloween events.

We would encourage residents to utilise posters such as the one to the left to discourage trick or treaters from calling at their premises. The poster to the left can be accessed on the Leicestershire Police website by typing in 'Halloween Poster' into the search bar.

In other news we are currently in the process of initiating more beat surgeries within the area and look forward to answering any questions you may have for us so make sure you stay tuned and up to date on further dates.

Finally, we want to encourage as many people as possible to sign up to our community messaging system, Neighbourhood Link. You will receive regular emails keeping you up to date about local policing issues, good news stories, crime prevention advice, witness appeals and local events.

It is very easy to do and free! Register at [www.neighbourhoodlink.co.uk](http://www.neighbourhoodlink.co.uk)
